Supervisor Burke made the following statement:

“The American Diabetes Association will be hosting its annual ‘Tour de Cure’ bike ride on May 13, 2006 from Santa Monica to Palos Verdes Estates.

“Over 20.8 million people in the United States have diabetes, and an estimated 41 million Americans have pre-diabetes. Complications of diabetes include heart disease, stroke, kidney disease, blindness, nerve damage and severe infections leading to foot and leg amputations. The ‘Tour de Cure’ bike ride raises funds that will benefit residents of Los Angeles County through education and awareness.”

Therefore, on motion of Supervisor Burke, seconded by Supervisor Knabe, unanimously carried (Supervisor Molina being absent), the Board waived the permit fee in the amount of \$150.00, excluding the cost of liability insurance, for use of rest areas at the Dockweiler State Beach and Manhattan Beach for the American Diabetes Association’s “Tour de Cure” bike ride event, to be held May 13, 2006.
